PHSE SESSION – YEAR 5

Dear Parents and Carers,

As part of our Personal, Social, Health Economic (PSHE) Education programme, children in Year 5 receive a visit from the School Nursing Team to discuss puberty and how their body will or is starting to change.

This session will include watching a short DVD about changes to the body and will focus on good hygiene, growing up and emotional wellbeing.

The School Nursing Team will deliver the session on Tuesday 8th May. If you DO NOT wish your child to take part in this lesson please contact me to discuss this further or sign and return the slip below.

Kind regards

Nicola Threlfall
Headteacher
