Year 5 & 6 – Life Lessons from the Extremes Lecture – Tuesday 3rd December

Dear Parent / Carer,

We are pleased to let you know that the children from Year 5&6 will be attending a lecture organised by the STEM Ambassador Hub North East at Arcinova in Alnwick on Tuesday 3rd December. The lecture will be taken by the explorer and extreme athlete Ash Dykes who will share his world record breaking stories and 'life lessons learnt from the extremes' with the children.

Ash Dykes recently completed his year-long third 'world first' by walking 4000 miles along the Yangtze River in China – the first person ever to walk its length. You can find more information on Ash on the following site www.ashdykes.com

The lecture will be taking place on the morning of Tuesday 3rd December therefore the children will return to school for lunch as usual afterwards.

Many thanks,

Melissa Gilroy
School Administrator
