

## THE EXPLORER

### Important information

Fred, Con, Lila and little Max's plane is on the way to Manaus when it falls out of the sky. Now, lost in the Amazon rainforest, they must figure out the basics of survival: water, shelter, food.

### Questions to think about

What would you do to survive?

What are your first thoughts about each character?

Who is the explorer?

What is similar about each of the characters?

What is different about each of the characters?
