Year 3-6 School Games – Active Northumberland

The children from years 3-6 will be taking part in the school games (athletic activities) at St Paul's Primary School in Alnwick on Monday 29th April 10am - Midday. The event has been organised and will be run by Active Northumberland. Other Primary schools from across the Alnwick Partnership will also be attending the event so is a great opportunity for our pupils to meet different children of the same age group.

The children will be returning to school after the event for their lunch but please could you send your child into school on Monday 29th with their PE kit, a water bottle and suitable footwear (trainers). They will also need school uniform to change back into after the event.

Many thanks
