

Dear Parents / Carers,

As a school we are in the process of reviewing and rewriting our school vision. Our school vision will be central to all that we do, including shaping what and how we teach. As a Church of England School our new vision will be firmly rooted in Christian values. We would be very grateful if you, as key stakeholders, could give some thought as to which of the values below you feel are the most important to be the thread that runs through all the we do in school.

During collective worship the children have spent some time exploring, thinking and talking about different Christian values, and they have already been asked for their input, as have the governors and staff. We now seek your input. Please choose up to **five** that you think are the most important for our school by putting ticks in the appropriate boxes below.

We will then collate the lists and use the top ones (probably up to three) to help form the wording of our vision. This will then enable us to review our curriculum and working practices to ensure that our key values are at the heart of all we do.

Please return this form (one per family) no later than Friday 3rd May 2019.
