Join us on the beach at 9.40 (ish) for a short Remembrance Service.

13 Nov Seal Class Skipping Festival

Children to wear PE Kit and have lunch in school as normal.

19 Nov Seal Parent Lunch

Google form sign up sheet will be sent out after half term. Lunch will be at 12.30.

Attendance Info

Since the start of term our attendance is 96.5%. We have had one day this week where everyone was in school.

Did you know?.... In phonics we learn a new sound every day. If your child regularly misses school it has a significant impact on their reading progress.

Celebrating Success

Mrs Threlfall's star of the week: Aidan

Orca star of the week: The whole class

Seal star of the week: The whole class

Puffin star of the week: Fedir

Starfish star of the week: George

Congratulations to Campbell for achieving his Level 8 swimming award. And a huge well done to Emily B for raising so much money for the school at Brunton Show.

Class Highlights

Starfish Class

We have had an exciting week in Starfish this week. We finished our Superhero theme by meeting lots of real life superheroes. We had visits from the police, fire service, RAF and the RNLI.

Puffin Class

We ended this half term by finishing our class text. We couldn't wait to finish the story to see if Mini Rabbit finally got his berries after his big adventure! He got his cake but after all the excitement he didn't want the cake any more and wanted ice cream!! Typical.

Seal Class

We have been very lucky to have a go at building and testing our own Wind Turbines as part of a Green Career Morning. We managed to get the highest voltage by 0.25 against the Orcas. It was very close!

Orca Class

In Design Technology we finished our model playgrounds. Each child also shared their Crime and Punishment homework with the rest of the class and we completed an end of unit Kahoot quiz!

Important Info

Clubs for next half term (finish at 4 pm)
