**Monday 14<sup>th</sup> September 2020**

**Embleton Vincent Edwards Primary School Governing Body - Election of Parent Governor**

We currently have two vacancies for Parent Governors. The role of a school governor is to work in partnership with the Headteacher and other governors to raise standards and improve outcomes for all children at the school. They also decide on the strategic direction which the school takes by helping to decide the priorities for improving the school. Parent governors are directly elected by the other parents / carers to represent them on the Governing Body.

The post lasts for up to 4 years, and would involve attending meetings in the evenings (6 main meetings and a range of other smaller meetings as required, per year) and being able to attend school a few times a term for governor monitoring meetings. Please note – all meetings are currently being held remotely due to Covid-19.

If you think you might be interested and want to find out more you are more than welcome to speak to me for additional information.

In order to strengthen our capacity to be able to fully support the school the Governing Body are particularly looking for people who might have some experience in the following:

Strategic planning  
Financial management  
Risk management  
Stakeholder engagement  
Ability to interpret data

If you would like your name to be put forward for the election please fill in the attached form and return it to school by Friday 25<sup>th</sup> September 2020. You will need a proposer who must be another parent / carer (not related to you).

Kind regards,

Nicola Threlfall  
Headteacher
